BIRTHDAY PROJECT

HOW TO USE THIS...

Use this project at home with your children or in class with your students! This versatile craft can be completed as part of a birthday celebration activity or use parts of the project as a birthday card to gift someone else.

If you choose to use this project as a birthday celebration activity, you'll need to also copy the "It's my Birthday" graphic organizer. If you choose to use this project as part of a birthday card you can simply copy the craft templates on colored or white copy paper for children to decorate. See the pictures below for samples of the final project.
